of Hebrew Liberty Bonds

Pledges First \$10,000

Writes Plan to Justice Brandeis; Subscriptions To Be Paid in Five Years

Harry Fischel, president of the Times Square Improvement Company, Inc., wrote to Justice Louis D. Brandeis, of signee. Finally, all railway employes are told to respect these priority enproject will be discussed will be held in Baltimore to-day and to-morrow.

"No progress was ever made merely articular rush about getting a large when priority cars get mixed up in with tears," wrote Mr. Fischel to Justrains and in terminals with cars not tice Brandels and to newspapers; "no masters with insistent demands that the movement of the cars be expedited. This is one of the features of arbitrary governmental meddling with the This is one of the features of arbitrary governmental medding with the movement of freight that makes operating officials dread the possibilities of direct government control and why they think the situation may best be met by means of the creation of a government director of transportation, with large discretionary powers, who will work hand-in-glove with the railways in enabling them to adjust governments to actual transportation conditions.

Commission Paid

From Elks' Donation

The British tank will surge over the trenches of Hero Land for the last trenches of the consight. This is the closing day will be known, the last three weeks.

To-day merchandise of all sorts, the remains of the big fair, will be auction. The closing day will be known as the there to live. To-day the reverse must be the case.

Enthusiastic Over Land

"I had the privi

"I had the privilege of visiting a good portion of Palestine a few years ago. I came back enthused with the possi-bilities that our Holy Land affords for the development of the industrial and ommercial enterprises, to say nothing vast amount of natural resources, and herefore permits not only of the ex-loitation of these resources, but also

says such rapid strides are being made toward developing within the United States sources of potash, nitrate, iron medicinal and other purposes.

"Now that everybody is hopeful that by the state in Palestine is no longer a dream, it is well to 'make hay while the sun shines.' Nothing can be done unless financial backing is secured, and unless financial backing is secured, and the sun ship to the su every one should be willing to give his Disloyal Teachers Must

He Liberty Loan can be floated and easily in subscribed by the Jews of America, and ier to induce subscribers to make their considered at a meeting Sunday night, with a view to formulating a complaint with District Attorney Swann.

William Hamilton, treasurer of the would take fully that time before all the money subscribed could be actually

der to induce subscribers to make their subscriptions as large az possible I would suggest that these subscriptions be payable in five years, in instalments of 29 per cent each year, because it would take fully that time before all the money subscribed could be actually required.

"I feel that it is a great privilege to start this subscription with my pledge of a large sum on the plan above mentioned. I have every reason to believe that while the enthusiasm is great among all Jews throughout the United States, it is worth while to 'strike while the iron is hot' and let each one show his enthusiasm by the amount of bonds he is willing to subscribe, and in this lances that will be sent to Russia on a ship which is leaving in two days for Archangel. You may be sure that within three weeks your money will be translated into actual help directly behind the firing lines."

Careful study of the ambulance papers shows no less than five different signatures of Captain Hamilton Fish, the former head of the organization.

the Winter Garden chorus. As one girl they decreed yesterday that they would join hands with the government to conserve our supply of sugar. The best way to accomplish this, they decided, is to accept no candy for Christmas gifts because the boys in the trenches will lessly consume. That soldiers haven't yet found a use for silk stockings, gold vanity cases and diamond pendants, however, is a fact that has been ac-

Eugene Walter's new play has undergone a change of title in the last few hours. What once was to have been "The Assassin," with undeniable the cast are Lowell Sherman, who lost no time retrieving his recent "Good Morning Rosamond" engagement, and Cyril Keigntley, an actor of charm and ability. The play will open out of town presently.

A poet, encouraged that nothing has happened to Gertrude Stein, sent this imerick to the manager of "Odds and Ends" for the contest recently announced by the Bijou:
So pleased with the show at the Bijou

Was the owner whose pet name was "Lee Shu" That he'd frequently cry "If Jack Norworth should die

What on earth should I put in the Bijou?"

Presently Alan Dale is going to know what it is like to wonder what the morning papers will say. Alan's first play (the first that the public will see, that is) will open after the first of the year, as every one has heard with unalloyed joy. Emily Stevens will be the star, playing the role of Lits Fotheringay. Iris Fotheringay.

Fred Stone is leaving the drama flat next summer to join the Lasky film company in California.

There is also the matter of Marget Kelly, who is about to embark on the Keith circuit.

#### Carnegie Institution Gives Resources to Aid U. S.

WASHINGTON, Dec. 14.—The entire ersonnel, equipment and laboratory scilities of the Carnegie Institution, of Washington, are being devoted to gov-ernment war service, it became known to-day at the annual meeting of the institution's trustees, of which Elihu

Root is chairman.

A gift of the eugenics record office, Cold Spring Harbor, N. Y., by Mrs. E. H. Harriman, yielding about \$12,000 a year, was announced. Appropriations of \$1,237,620 were voted for 1918 research work of the institution.

#### Macmillen, Violinist, Cancels 40 Concerts to Go to War

COLUMBUS, Ohio, Dec. 14.—Francis Macmillin, violinist, who enlisted as an interpreter in the field service of the army recently, has been called for service abroad earlier than he expected and will sail within a few days from an Atlantic port, it was announced here

When he enlisted it was with the be-lief that he would not be called before next April, and he made concert engagements accordingly. To meet the government's order he cancelled forty engagements for concerts.
